DIMMABLE

NATIONAL SPECIALTY LIGHTING ANNOUNCES
HUGE CLEAR OUT SAVINGS
ON OUR ORIGINAL
LED TASK STAR (LTS)
UNDER CABINET FIXTURES

NSL will soon be launching our new Gen 2 LTS undercabinet fixture and to make way, we are clearing out our existing stock of Gen 1 at

50% SAVINGS!

Many contractors prefer the full size ½” knockouts associated with this fixture.

Our Gen 2 will offer the same features as our extremely popular LTSPRO fixture with the benefit of full size knockouts. In the mean time, we have to make room for GEN 2 which means fantastic savings for you on our current product.
